from tiny acorns mighty stories grow

a short book

Badenyon's Places
Badenyon is a small clachan nestled in the quiet Ladder Hills at the north end of Glenduchat, in the Eastern Cairngorms. Humans have lived there for many lifetimes, offering their names for the rocks, streams, valleys and hills. Though people pass through, some of these names remain, catching the echo of other days spent walking the hills, working the fields, and visiting friends.
