## Names: Between the Hills

*Badenyon's Places*

Badenyon is a small clachan nestled in the quiet Ladder Hills at the north end of Glenduchat, in the Eastern Cairngorms.

Humans have lived there for many lifetimes, offering their names for the rocks, streams, valleys and hills. Though people pass through, some of these names remain, catching the echo of other days spent walking the hills, working the fields, and visiting friends.

a short book

*from tiny acorns mighty stories grow*

may be reproduced freely

download the set from <http://www.badenyon.org/callummark> the publishers would be very pleased to hear from other authors wishing to contribute series or single volumes
